MAYOR'S ADDRESS:

This past year I have noticed, more than normal, that people keep referring to Mountainside as the Mayberry of New Jersey and where I would hear that is at all these wonderful community events that we have during the year. We start off in April, where we have the Little League Parade, on the opening day for Mountainside Youth Baseball and Mountainside Softball Association. It really is a wondrous day that truly marks the beginning of spring in Mountainside. This past year, we had over 500 children who participated in both leagues; we had over 200 coaches and certainly countless other volunteers who took care of the fields and background preparations in organizing to make both of those leagues very successful. There is probably no one who, has lived in Mountainside that, hasn't in some way been touched by Mountainside Youth Baseball and Mountainside Softball Association. It is a real special day when you see those 500 kids with their eyes sparkling and thinking that they're going to be the next Derek Jeter. Unfortunately, I don't know any famous women softball players, maybe someone can help me with that, and even more wondrous is the twinkle in the eyes of the parents that are proud that they are out there with their children, volunteering. It just creates a very nice atmosphere and a great community day in Mountainside. The next event that we had was

the 2nd Annual Memorial Day Parade. The Parade is spearheaded by the Girls Scouts, Cubs Scouts, Boys Scouts and most importantly, the Mountainside Chapter of the VFW. I also want to acknowledge the participation of the Mountainside Elks, and the Rotary Club and, of course, no parade in Mountainside would be complete without the participation of the Mountainside Volunteer Fire Department, Rescue Squad and the ever present Mountainside Police Department. The parade started down at Constitutional Plaza with our annual ceremony to honor our Veterans, and again, we had a tremendous turnout. I think it even grew from last year. It was truly a glorious and fitting Memorial Day service. The residents showed up and really supported and showed their support to the Veterans, our current Veterans and those who are not with us today, because they fought for our freedom. Nothing shows the support of the community by the way people lined up on the parade route. It was wondrous to see the families, young people, old people, and everyone just honoring and applauding our Veterans. They certainly respected the Veterans and were very appreciative of them. We had an unbelievable picnic down at Our Lady of Lourdes where it just topped off the whole day. Just sitting around and talking to the Veterans having a good time, eating and drinking. At the end, I could see the Veterans didn't want to leave. We had to tell them that the picnic was over and they finally did leave. The next community event was the annual Fourth of July Fireworks, which took place over at Our Lady of Lourdes Church and Deerfield School. It was another wondrous community event. Kids, parents, young and old, all enjoyed the fireworks. The fireworks are funded and sponsored by the Mountainside Volunteer Fire Company as well as the Mountainside PAL and the Council also makes their contribution. PAL gave out ice cream and it is just a wonderful event. The fireworks were spectacular. This year, we had a special guest who showed up at the fireworks. We had our new Pastor from our Lady of Lourdes Church. We welcomed Father Richard Carrington. I know that at one of the first masses, he said that after the ceremony, he thought that we just had the fireworks because we were celebrating him coming to Mountainside. This year we had another event, the historic move of the Levi Cory House. I want to first commend the Historic Preservation Committee, the move would not have taken place without their excitement, hard work and perseverance. We thought that we were going to move it once and if not twice, thank God the third time they hit a home run. The move was supported by the entire community, not only financially, but on the day of the move there were tons of people out there. I certainly was in amazement as the Levi Cory House, which I didn't think that they were going to get off the lot to start with, it was coming down New Providence Road, it was done in a meticulous and careful way. We had our doubts on whether the house was going to make it all the way down New Providence Road, but it certainly did. I had a friend of mine who was sitting in the traffic on Route 22 and he was wondering what the heck was going on in Mountainside. Then all of sudden, he sees this house coming across Route 22 and he certainly understood what was going on. It was a site to behold and I know that the Historical Preservation Committee is going to be after us for more funding because they need to get the house in shape and eventually turn it into a museum. To

wind up this year, the last community event is the Tree Lighting outside. It certainly is a great way to kick off the holiday season, the caroling by the Girl Scouts, Brownies and the Daisies put everyone in the holiday spirit.

I am also proud to report this year that Mountainside is fiscally sound and thriving. I used the same words the last two years, but that is just the way I feel about the state of the community. Despite the two percent mandated cap we are still able to provide a high level of services to our residents, which is certainly what they expect and we do it the same way that we have always done it. We have a great staff in town and we have a great administration and that's where it starts. We continue to get grants whenever possible. This year, we received two grants from DOT for \$180,000 to help defray the road repaving in town. We received a Safe Corridor grant for \$24,000 which was used to purchase a new vehicle and a Municipal Alliance grant for \$14,000 which funds alcohol programs for the youth in our town. We also received a New Jersey Hazard Mitigation grant which was used to purchase a generator at the library and at the rescue squad building. We received a Police Body Armor grant which was used to purchase bullet proof vests, and then of course, the Watts Foundation has fully supported not only the town, but a lot of the different organizations in town. We do provide a lot of services to our residents first. We have the Recreation Department which also includes the Mountainside Pool, one of the finest community pools in the State. We have our Construction Department, DPW, Zoning, Finance and Tax, Court, Engineering, and of course, the Library which is the finest in the County. All these departments were successful in helping to keep us under the two percent cap and also provide a high level of service which our residents deserve and expect. I want to commend all of our employees as well as the administration. Rather than go through all of their achievements that I received in their written reports, we are going to put them on the Mountainside website which is www.mountainside-nj.com. It has been revamped completely from last year and I urge all of our residents to read what wondrous things all of our departments have achieved this past year. I want to thank them for all their dedication and hard work.

I also want to commend our police, volunteer rescue squad, and fire department. They are the ones who keep our residents safe and provide fire protection and medical services when people really need it. This past year we were able to purchase a new fire truck pumper for the fire department and this upcoming year we will be purchasing an ambulance for the rescue squad. We are also in the process of installing a new heating and air conditioning system at the library. I am sure all of you can remember last year how hot it was in the library. The contract has already been awarded and we should have it installed for the summer. I also want to point out that last year, in February, we did a test and found out that the Union County First Alert System had about 1,300 people who had signed up for it. We did a test yesterday and we found that in this past year, we had over 6,200 people signed up for Union County First Alert. It really is the most effective and

efficient way for us to communicate to the residents about emergencies and weather conditions as well as school and road closings and even power outages. This past year, one of the things we have been working on and is really coming to a head right now, is that we are in the process of getting our housing element and fair share plan approved by the courts. We will be certified and have court approval that we satisfied our affordable housing requirements and most importantly without changing the face of Mountainside. The three developments that are going to be a part of this plan are 30-age restricted units on Route 22 West, another development which is taking place behind Brighton Gardens with 23-units, and probably the one with the most impact on the town is on the notorious Barnes Tract, which is a five acre parcel of land that the town owns on Mountain Avenue next to the 7-eleven. The plan there is for retail stores to be put in down on Mountain Avenue, which will effectively double the Mountainside downtown. It will be the biggest transformation of the downtown since I've been here. There are also going to be 30-residential units that are going on top of the retail area and in the back. We are very proud of that because we are going to satisfy our affordable housing and we really are not going to change the face of Mountainside. It is still going to be the same with the same residential look that it always has.

The one concern I have in Mountainside is that we have all these volunteer organizations, but I hear the same thing over and over again from all of these organizations, that it's the same people that are volunteering year in and year out. We really need to look inside of ourselves and need to step up what we do as far as volunteerism. It's not just volunteering for something because your children are involved in the program, its volunteering for the community. I can tell you that there is no greater joy than when you volunteer and you do something that is successful. This past Sunday, myself and Brian Labau ran a high school open gym, neither one of us have any kids that are in high school anymore. We went down there on Saturday and had 25 kids that showed up and all they did was have pure fun that day. There was no parent involvement, it was just me and Brian and all the kids had a wonderful time. We felt as good about it as any of those kids did. I just want to impress upon everyone to step up the volunteerism on a much broader base than we see people volunteering. It cannot just be for your own children. To paraphrase, our President John F. Kennedy said "Ask not what Mountainside can do for you, ask what you can do for Mountainside." If we can live by that this year, it is going to make Mountainside an even more wonderful community than it already is. I am going to end by letting everyone know, and it wasn't really that highly publicized this year, when New Jersey Monthly Magazine came out with their rankings this year and when I first saw it in the Patch they said New Providence and Berkeley Heights were top towns in Union County, that I was looking at the list and wondering where is Mountainside. What they forgot to say is that Mountainside was ranked number one in Union County ahead of New Providence, Berkeley Heights, Scotch Plains, Westfield, Fanwood, Summit, Cranford, and Garwood.

We were the number one town in Union County and that is because of our staff, and our administration here, all of our volunteer organizations as well as all the volunteers that support those organizations, but we can't sleep on that. We need to continue volunteering. We need to continue to keep Mountainside the Mayberry of New Jersey that it is. Thank you very much.

RESOLUTION 12-2014

WHEREAS, the Borough of Mountainside has resolved to join the Suburban Municipal Joint Insurance Fund, following a detailed analysis; and

WHEREAS, the bylaws of said Funds require that each Municipality appoint a RISK MANAGEMENT CONSULTANT to perform various professional services as detailed in the bylaws; and

WHEREAS, the Board of Fund Commissioners established a fee equal to six percent (6%) of the Municipal assessment which expenditure represents reasonable compensation for the services required and was included in the cost considered by the Mayor and Council; and

WHEREAS, the judgmental nature of the Risk Management Consultant's duties renders comparative bidding impractical;

NOW THEREFORE, be it resolved that the Borough of Mountainside does hereby appoint **BOLLINGER INSURANCE** as its Risk Management Consultant in accordance with the Fund's bylaws; and

BE IT FURTHER resolved that the Mayor and Borough Clerk are hereby authorized and directed to execute the Risk Management Consultant's Agreement annexed hereto and to cause a notice of this decision to be published according to N.J.S.A. 40A:11-5 (1) (a) (i).

THIS AGREEMENT entered into the 1st day of January 2014, between the Borough of Mountainside and Bollinger Insurance.

WHEREAS, Bollinger Insurance has offered to the Borough of Mountainside professional risk management consulting services as required in the bylaws of the Suburban Municipal Joint Insurance Fund and the Municipal Excess Liability Joint Insurance Funds, and;

WHEREAS, the Borough of Mountainside desires these professional services pursuant to the resolution adopted by the governing body of the Borough of Mountainside;

NOW, THEREFORE, the parties in consideration of the mutual promises and covenants set forth herein, agree as follows:

1. For and in consideration of the amount stated hereinafter, Bollinger Insurance shall:
 - a) Assist the Borough of Mountainside in identifying its insurable Property & Casualty exposures and to recommend professional methods to reduce, assume or transfer the risk or loss.
 - b) Assist the Borough of Mountainside in understanding the various coverages available from the Suburban Municipal Joint Insurance Fund and the Municipal Excess Liability Joint Insurance Fund.
 - c) Review with the Borough of Mountainside any additional coverages that Bollinger Insurance feels should be carried but are not available from the Fund and subject to the Borough of Mountainside's authorization, place such coverages outside the Fund.

- d) Assist the Borough of Mountainside in the preparation of applications, statements of values, and similar documents requested by the Fund, it being understood that this Agreement does not include any appraisal work by Bollinger Insurance.
 - e) Review Certificates of Insurance from contractors, vendors and professionals when requested by the Borough of Mountainside.
 - f) Review the Borough of Mountainside's assessment as prepared by the Fund and assist the Borough of Mountainside in the preparation of its annual insurance budget.
 - g) Review the loss and engineering reports and generally assist the safety committee in its loss containment objectives. Also, attend no less than one (1) municipal safety committee meeting per annum to promote the safety objectives and goals of the Borough of Mountainside and the Fund.
 - h) Assist where needed in the settlement of claims, with the understating that the scope of Bollinger's involvement does not include the work normally done by a public adjuster.
 - i) Perform any other risk management related services required by the Fund's bylaws.
2. In exchange for the above services, Bollinger Insurance shall be compensated in the following matter:
- a) Bollinger Insurance shall be paid by the Borough of Mountainside a fee as compensation for services rendered, an amount equal to six percent (6%) of the Borough of Mountainside's annual assessment as promulgated by the Funds. Said fee shall be paid to Bollinger Insurance within thirty (30) days of payment of the Borough of Mountainside's assessment.
 - b) For any insurance coverages authorized by the Borough of Mountainside to be placed outside the Fund, Bollinger Insurance shall receive as compensation the normal brokerage commissions paid by the insurance company. The premiums for said policies shall not be added to the Funds assessment in computing the fee outlined in 2 (a).

- c) If the Borough of Mountainside shall require of Bollinger Insurance extra services other than those outlined above, Bollinger Insurance shall be paid by the Borough of Mountainside a fee at the rate of \$0 per hour, in addition to actual expenses incurred.
3. The term of this Agreement shall be one (1) year. However, this Agreement may be terminated by either party at any time by mailing to the other written notice, certified mail return receipt, calling for termination at not less than thirty (30) days thereafter. In the event of termination of this Agreement, Bollinger's fees outlined in 2 (a) above shall be prorated to date of termination.

RESOLUTION 13-2014

WHEREAS, the Borough Engineer is required to perform services for the Borough beyond the scope of the services upon which his salary is based; and

WHEREAS, such services constitute professional services within the meaning of N.J.S.A.40A:11-2; and

WHEREAS, the nature of such Engineering services will not reasonably permit the drawing of specifications or the receipt of competitive bids;

WHEREAS, the Borough of Mountainside desires to appoint the Borough Engineer as a non-fair and open contract pursuant to the provisions of N.J.S.A. 19:44A-20.4 and 20.5; and

WHEREAS, the appropriate Borough official has determined that the value of these services will exceed \$17,500, but not to exceed \$125,000 over the life of the contract; and
