Also present were Public Works Director Matthew DeAnna, Police Chief Joseph Giannuzzi, Borough Engineer Mike Disko, Recreation Director Frank Masella and CFO Jill Goode.

Discussion was held regarding a proposed Girl Scout (Troop 40962) Bronze Award Project. The Troop identified the issue of increased pedestrian safety around Deerfield School. They observed cars speeding on Central Avenue and Wyoming Avenue and identified the need to purchase additional signage and rehab existing signage. Borough Officials provided the Troop with suggestions and feedback. Everyone agreed that the project was well planned and presented.

Discussion was held regarding the introduction of the 2021 municipal budget. The municipal budget will not increase and remain flat. The Mayor summarized the proposed increases, decreases and anticipated revenues. The budget introduction will be delayed until April in order to determine the impact of the 2nd round of the Cares Act

Discussion was held regarding a request from the Finance Officer to make additional appropriations to the 2021 temporary budget. Until the final 2021 municipal budget is formally adopted, temporary appropriations are made and approved by Council in order for the Borough to operate and meet their obligations. The proper resolution will be for the March 16, 2021 meeting.

Discussion was held regarding the appointment of the pool management staff for the 2021 season. The COVID 19 pandemic had an adverse effect on the anticipated 2020 pool fund budget therefore, the DLGS has promulgated new standards for the anticipation of future revenues. The state authorizes the use of a 3-year average for the calculation of affected revenues. A resolution will be submitted in conjunction with the budget introduction.

Discussion was held regarding the purchase of a Ford F450 and F350 for the DPW. The DPW Committee recommended the replacement of two 2008 trucks. They will be purchased under state and co-op pricing upon the adoption of the municipal budget.
