New On-line Services

We are thrilled to announce the launch of GovPilot, our new state-of-the-art on-line platform! Designed with your convenience in mind, this platform promises to simplify the process of applying for a marriage license, vital records request, pet license, OPRA request, no knock registry, and mercantile license while enhancing efficiency for our government services.

Key Features include:

1. **Marriage License:** Apply for your marriage license, download the required documents and schedule an appointment at your convenience.
2. **Certified Copies of Vital Records:** Apply for a certified copy of a marriage, birth or death certificate that occurred in Mountainside in just a few minutes.
3. **Pet License and Renewal:** Applying for and renewing an annual pet license has never been easier. With just a few clicks, you can complete these tasks from the comfort of your home.
4. **OPRA Request:** Seeking a government record? You can submit and track an OPRA request online.
5. **No Knock Registry:** Don't want solicitor's knocking on your door? Then add your address to the no knock registry.
6. **Mercantile License:** Mountainside businesses can now apply online for mercantile licenses which include: food establishments, food trucks, signs, gas pumps.

Visit our website at www.mountainside-nj.com and go to our on-line services icon and enjoy the convenience and ease of applying for licenses and records whenever you're ready to do so.
